Storm Drains

Now we know better!

You may think that it's ok for little things here and there to be put down the storm drain. It's easy to forget that your one little thing and my one little thing eventually add up to create a **MONSTER** problem. Our storm drains don't filter what we put into them. They run directly into our lakes and streams.

To help keep our storm drains clean...

- ***Properly dispose of your motor oil***
- ***Pick up after your pet***
- ***Take your car to a car wash***
- ***Follow the directions when you fertilize your yard.***
